

Odin Rodeo Grounds

Prosser Arena

The Odin Rodeo Grounds has been recently renovated to its former glory as one of the top rodeo grounds in the state. In the 1970s - 90s, Odin Rodeo Grounds used to hold the largest rodeos around. Be a part of the revitalization effort.

Improvement & Renovation Efforts

Funds collected from our sponsors are used to help renovate the Odin Rodeo Grounds. Improvements including clean up, redoing the grandstands and new gates have been completed in the past couple years thanks to our sponsors. We are excited about upcoming projects thanks to your support.

Hosting Large Rodeo Events

Bringing in crowds from across the state and cowboys/girls from across the nation is an economy booster that benefits us all. In fact, we welcomed Terry Bradshaw and his bull previously. Help us continue bringing crowds to Odin and all of Central Kansas with our rodeo.

Community Engagement

The Odin Rodeo Grounds provides a space for our community to gather. We host rodeos and concerts, but our rodeo grounds are also utilized for family reunions and other get-togethers.

Sponsorship Packages.

	Ambulance Sponsor	Chute Sponsor	Platinum Sponsor
	\$ 200	\$500	\$1000
